

17th November, 2020 – 21st November, 2020

Geetanjali Institute of Pharmacy has been producing highly skilled Pharmacy Professionals who are contributing in health care and pharmaceutical industry segment that is growing at faster pace in the country. The Institute is a constituent unit of Geetanjali University, Udaipur, Rajasthan.

Geetanjali University is spreaded over sprawling 50 acres and has all the modern infrastructure and updated facilities. Over the years Geetanjali University has been providing a high quality of education under one roof in the field of medical, Dentistry, Nursing, Physiotherapy, Pharmacy and allied Medical Sciences.

The Geetanjali Institute of Pharmacy has been celebrating the National Pharmacy Week every year as declared by Indian Pharmaceutical Association with a distinguished theme that reflects and signifies role of Pharmacist in health care segment. This year's theme is **"Pharmacists: Frontline Health Professionals"** with intention to contribute in World Health Organization's Sustainable Development Goals that to be achieved by 2030. The pharmacists in India are working across the country in all situations with dedication and now are in transition phase of moving from invisible work to visible patient centered care role in various healthcare set up.

'National Pharmacy Week' was created to recognize the vital contributions that pharmacists are making every day to patient care and to pharmaceutical industry. This year Geetanjali Institute of Pharmacy is celebrating National Pharmacy Week in online mode due to COVID-19 pandemic. Various activities are being conducted for students so they can understand the significance of the National Pharmacy Week Celebration and current theme. The activities during NPW-2020 are as below
