3. PROCEDURE FOR ADMISSION TO Ph.D. PROVISIONAL REGISTRATION

- There shall be a two-phased admission process for the Ph.D. programme of the Geetanjali University. **Phase – I:** Entrance examination and **Phase – II:** Research Proposal Presentation & Personal Interview.
- Only those candidates who secure minimum 50% marks in admission process would be eligible for applying for admission.
- Notwithstanding the above, candidates who have passed the CSIR-UGC – ICMR JRF / NET examination (or) examination by agencies like DBT/DST etc. (or) GATE (or) shall be exempted from appearing for the Ph.D. Entrance Examination.
- A candidate applying for Ph.D. admission shall submit an application to the Dean PG Studies, Geetanjali University, Udaipur in the prescribed form obtainable from the University Office or on website alongwith the required documents and fee, within the stipulated time furnishing the following information:-
 - Qualifications and details of previous study/teaching/clinical experience and research if any, and full particulars of publications (with reprints) to his/her credit in accredited journals;
 - Broad field of research in which he/she intends to pursue research;
- After successfully clearing the **Phase – I:** Ph.D. Entrance Examination, candidates are invited for **Phase – II:** Research Proposal Presentation and Personal Interview, which

includes introduction; review of literature and research gap; aims and objective of the study; plan of work; materials and methods; hypothesis and anticipated outcome references; questionnaire if any

- In respect of an inter-disciplinary research the main branch of postgraduate degree in which the candidate has qualified and the other field of research intended;, the guide will be that of the main branch of postgraduate degree in which the candidate has qualified.
- Applications of the candidates will be placed before the University Research Committee . The Committee will examine the credentials of the candidate and review the usefulness of the research proposal after due presentation followed by personal interview. Candidates who have satisfactorily defended their proposed research alone will be recommended by the Research Committee for provisional registration. If the Research Committee does not *prima facie* find the applicant qualified and/or the research proposal suitable, it may recommend rejection of the application for provisional registration straightaway. The Committee may also direct the candidate to submit a revised proposal incorporating the recommendations made by it.
- Only a pre-determined number of students shall be admitted to the Ph. D. programme.

Note: Admission in Ph.D. degree program is based on Merit, availability of Ph.D. Guide in respective subject and research support. Passing of Entrance Examination does not necessarily guarantee of enrolment in Ph.D. program.
